**Notes:**

Numbers in each column represent the number of Vernal graduates who would attend a Vernal session in the year shown in the top row who would continue to remain very active in the year shown in the column to the left.

Each row represents the number of Vernal graduates from all years who would be very active in the year shown in the first column.

The number of enrolled Vernal students is shown in italics.

# Year, All Regions — Optimistic Scenario

											Number of Students	Num. of Very Act. Grads	Num. of Less Act. Grads	Total	Sessions Begun to Date
